

Cubex[®] Case Study Animal Hospital of Southwest Fort Worth

How Cubex has impacted Pharmacy & Supply Profitability at Hospital of Southwest Fort Worth:

- ✓ Drastic reduction in hours spent managing pharmacy and supply
- ✓ Improved staff accountability
- ✓ Reduction in hospital inventory
- ✓ Better access to pharmacy and supply metrics has improved management and efficiency of the clinic

“

Since getting the Cubex cabinets in August 2010 my overall time with ordering has been cut in half. I am more confident that my quantities on hand are correct, and I love that it holds people accountable for what & how much they are taking... The reports are great too.

— Elizabeth Huckins, Inventory Manager | Animal Hospital of Southwest Ft. Worth
